(iii) What need is there for new in any when cash was paid a long time back?

The M.C. states that the award of a cash compensation like this, where the Swami has only a limited interest in the land, was inappropriate under Section 31(3) of L. A. R. and Rule XV of the Rules thereunder, and the irregular payment should have been objected to, by the Muzrai Officer at the time but this was not done.

Now that the Swami has come forward with a request to convert the lands purchased by him into Belva-daga, the M.C. is of opinion, that it is desirable to accept the offer and ensure the inalienability of the lands in the interests of the State. II members minute at

I am not in favour of accepting the Muzrai Commission's recommendation for the conversion of the lands into Devadaya Inams after such a lapse of time. Government are discouraging the grant of new inams as much as possible and even old inams are now being converted into sircar lands by the cancellation of inam tenures. The creation of new inams for the purpose is not desirable unless there is a strong case for it. I am not convinced that there is such a case here. I do not follow the Muzrai Commissioner in some of the reasons he has adduced. He says that the grant of cash compensation was inappropriate and irregular under Section 51 (3) of the Land Acquisition Regulation. This Section is a permissive one enabling the Deputy Commissioner to make other arrangements and is not compulsory in every case. Rule XIV applies only to service inams and not to Mutts. As regards inalienability, any property of Mutts whether inam or otherwise cannot under the law be permanently alienated by the Swami for the time being.

Letter No. 23-2693/41-34 dated 23-2-34 from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore.

In forwarding herewith the records received from the Sub Division Officer, Doddballapur with his report No. 42.504/53-34 dated 13-1-34 ^B in the matter of treating certain lands of Veli Mutt, Bangalore City, as Devadaya Inam, I have the honor to state as follows:-

S.No.11 of Guttahalli village, Bangalore Taluk, endowed to Sri Bel Mutt, Bangalore City, was acquired by the Bangalore City Municipality in pursuance of G.O.No.10343/11.5-06-55 dated 4-5-1907 for Pasavanudi Extension and compensation amounting to R. 2527-2-0 was paid to Sivarudraswamy on behalf of the Mutt by the Municipality for the above lands. It is now reported that Sivarudraswami purchased the marginally noted lands

R. 222-14-0 from his personal funds. The khate of the lands has been made in the name of Sivarudraswami who has been asking for the lands being treated as Devadaya inam for the benefit of the Veli Mutt, It is further reported that full assessment is being paid on ^{these} ~~the~~ lands.

The Sub Division Officer, Doddballapur recommends that the lands may be converted as Devadaya inam from the dates of their purchase, that a suitable jodi may be fixed on them and that the difference between the assessment and jodi may be refunded to the Mutt together with the sum of R. 222-14-0 paid by the Swamy from his personal funds for the purchase of lands.

I agree with the Sub Division Officer and request that his proposal may be approved. I am not in favour of the refund of R. 222-14-0 ^{which} ~~paid~~ to have been ~~received~~ for purchasing the lands. The jodi may also be kindly arranged to be fixed in consultation with the Superintendent, Revenue Survey. The khate of the lands will have to be made in the name of the Mutt.

B a n g a l o r e.

Sir,

With reference to correspondence ending with your letter No.C.1163/33-34 dated 13th August 1934 regarding conversion of Survey Nos.150,128 and 165/1 of Huskur village in Nelamangala as Devadaya Inam in favour of Beli Mutt, I am directed to state that Government are not in favour of accepting your recommendation for the conversion of the lands into Devadaya Inams after such a lapse of time. Government are discouraging the grant of new inams as much as possible and even old inams are being converted into Sircar lands by the cancellation of inam tenures. The creation of new inams for the purpose is not desirable unless there is a strong case for it and Government are not convinced that there is such a case in favour of the Mutt.

The records received with your letter are returned herewith.

I have the honor to be,

Sir,

Your most obedient servant,
